

VISITORS WORKSHOP

ON PROBLEM BASED LEARNING (PBL), TEAM BASED LEARNING (TBL) AND FACULTY DEVELOPMENT.

SINGAPORE, 20-24 JANUARY, 2025.

La National University of Singapore, il Republic Polytechnic e Nanyang Technological University of Singapore organizzano una attività formativa rivolta a docenti universitari italiani interessati alla didattica universitaria innovativa e al Faculty Development.

L'attività denominata "Visitors' workshop on Problem Based Learning (PBL), Team Based Learning (TBL) and Faculty Development" si terrà dal 20 al 24 gennaio 2025 a Singapore.

Le tre università sono disponibili a offrire la possibilità di:

1. incontrare i docenti che illustrano l'organizzazione dei loro corsi di laurea;
2. incontrare esperti che spieghino gli approcci pedagogici, le strategie didattiche e i sistemi di valutazione utilizzati (Team Based Learning e Problem Based Learning);
3. osservare gli studenti mentre utilizzano le strategie didattiche innovative;
4. effettuare visite guidate delle strutture didattiche (laboratori, centri di simulazione, aule dotate di attrezzature innovative)
5. incontrare i responsabili dei Teaching and Learning Center delle tre Università, ossia i Centri dedicati al Faculty Development.

L'evento formativo è aperto a docenti che:

- hanno già partecipato ad attività formative pregresse su Team Based Learning e/o Problem Based Learning;
- siano motivati a introdurre la strategia didattica del Team Based Learning e/o del Problem Based Learning nel proprio insegnamento per un periodo significativo;
- siano disponibili a verificare l'impatto di tali sperimentazioni
- oppure a docenti con incarichi di coordinamento dell'area Faculty Development e/o Teaching and Learning Center.

Il costo della visita alla Republic Polytechnic è di circa € 490 per partecipante.

Sono a carico di ogni partecipante le spese di di viaggio, alloggio e vitto.
La visita è aperta a un massimo di n. 25 partecipanti provenienti da Università italiane.

Si propone che lo stanziamento di €14.000,00 che l'ateneo di Foggia ha trasferito al DISTUM sia così ripartito:

- €1.500 per ogni dipartimento, affinché ogni direttore di dipartimento possa individuare un docente competente su TBL, PBL, Faculty Development e motivato a partecipare al visitors'workshop;
- € 2.000 per la coordinatrice dell'area Faculty Development del CFD, organizzatrice dell'evento.

Eventuali economie, che dovessero derivare da parte dei dipartimenti che non individuano al proprio interno un docente interessato a svolgere l'evento formativo, potranno essere utilizzate e distribuite tra gli altri dipartimenti che ne usufruiscono.
